3. NEW BUSINESS ITEM

3.1 2026 Municipal Budget

Administration presented the draft 2026 Municipal Budget and provided Council with a detailed overview of the anticipated revenues and expenditures for the upcoming fiscal year. The presentation included discussion regarding operational requirements, capital priorities, reserve contributions, grant funding, and long-term financial planning considerations.

Council reviewed the proposed budget in detail and discussed the financial impacts on the municipality, including tax rate scenarios, service levels, infrastructure needs, reserve sustainability, and future capital planning. Residents in attendance were provided the opportunity to ask questions and provide comments regarding the proposed budget and municipal finances.

To support the budget discussions, Administration provided a tax rate workbook outlining how the proposed tax rates would be calculated and the projected impacts on municipal taxation. Administration also presented a grant and reserve summary, as well as a long-term capital plan to assist Council in evaluating future financial obligations and infrastructure priorities.

No motions arose from this agenda item.
