Re: Development Permit Application No. 22DP02-07

Plan 395 MC, Block 13, Lot 8 : (the "Lands") R1A – Residential – Single Family (Class A) : Village of Spring Lake

APPROVAL OF DEVELOPMENT PERMIT

You are hereby notified that your application for a development permit with regard to the following:

RENOVATION OF AN EXISTING DETACHED GARAGE AND OPERATION OF A HOME OCCUPATION - MAJOR (WOOD WORKING)

has been **APPROVED** subject to the following conditions:

1- All municipal taxes must be paid.

2- The applicant shall display for no less than twenty-one (21) days after the permit is issued, in a conspicuous place on the site or on streets abutting the site, the enclosed notice.

3- The applicant shall provide a certified copy of plan of subdivision to determine all easements and restrictive covenants on the parcel, and 8.5 X 11 copies of site plans of a quality satisfactory to the Development Officer.

4- The applicant shall obtain and adhere to the requirements where applicable, from the appropriate authority, permits relating to demolition, building, electricity, plumbing and drainage, and all other permits required in connection with the proposed development.

Note: Pursuant to the Village of Spring Lake Land Use Bylaw No. 391, Section 8.34.1 WOOD FURNACES, Wood furnaces shall not be allowed within any principal or accessory building on a lot in the Village of Spring Lake.

5- The applicant shall be financially responsible during construction for any damage by the applicant, his servants, his suppliers, agents or contractors, to any public or private property.

Box 2945, Stony Plain, AB., T7Z 1Y4
Phone (780) 718-5479 Fax (866) 363-3342 Email: pcm1@telusplanet.net

6- The applicant shall prevent excess soil or debris from being spilled on public streets and lanes; and shall not place soil or any other material on adjacent properties without permission in writing from adjacent property owners.

7- The home occupation shall not create any nuisance by way of noise, dust, odour, or smoke, or anything of an offensive or objectionable nature.

8- The peace, quiet, dignity and other amenities of the neighbourhood shall not be disturbed in any manner.

9- A stop order may be issued at any time if, in the opinion of the Development Authority, the operator of the home occupation has violated any provisions of this Bylaw or conditions of the approval of the development permit and complaints based on the operation of the home occupation have been received.

10- A home occupation shall not change the principal character or external appearance of the dwelling involved. Except as noted in Condition 13 of this approval, there shall be no exterior signage, display or advertisement, but there may be a limited volume of on-premises sales.

11- No more than one commercial vehicle used in or for the home occupation shall be parked on the subject site or on the adjoining road.

12- There shall be no mechanical or electrical equipment used which creates external noise, or visible or audible interference with home electronics or computer equipment in adjacent dwellings.

13- Notwithstanding any other provisions of this Bylaw to the contrary, a dwelling in which a home occupation is located may have one fascia sign placed on the dwelling, providing that the sign does not exceed 0.25 m2 (2.7 ft2) in area.

14- The major home occupation shall not, in the opinion of the Development Authority, generate pedestrian or vehicular traffic or parking which is excessive for its location relative to other dwellings.

15- The number of non-resident employees working on-site shall not exceed one (1) on-site, non-occupant employees.

16- No more than one (1) commercial vehicle up to but not exceeding a gross vehicle weight of 4,500 kg (10,080 lbs.) to be used in conjunction with the major home occupation, shall be parked or maintained on the site in a residential Land Use District. The parking space for the commercial vehicle shall be adequately screened and sited behind the principal building to the satisfaction of the Development Authority

17- The outdoor storage of productions and materials shall be prohibited.

NOTE:

1. *The issuance of a Development Permit in accordance with the notice of decision is subject to the condition that it does not become effective until twenty-nine (29) days after the date of the order, decisions or development permit is issued.*

2. *The Land Use Bylaw provides that any person claiming to be affected by a decision of the Development Officer may appeal to the Development Appeal Board by serving written notice of appeal to the Secretary of the Development Appeal Board within twenty-one (21) days after notice of the decision is given.*

3. *A permit issued in accordance with the notice of the decision is valid for a period of twelve (12) months from the date of issue. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, this permit shall be null and void.*

IMPORTANT NOTES

1. Any development proceeded with prior to the expiry of the appeal period is done solely at the risk of the Applicant even though an application for Development has been approved and a Development Permit has been issued. The period allowed for an appeal to be filed is twenty-one (21) days after a development permit is issued.

2. Any person claiming to be affected by a decision regarding an application for a development permit may appeal by serving written notice to the Clerk of the Development Appeal Board within twenty-one (21) days after a development permit or notice of decision was issued.

3. This Development Permit is valid for a period of 12 months from the date it was issued, or the date of an approval order being granted by the Development Appeal Board. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, the permit becomes invalid unless an extension has been granted by the Development Officer.

4. The applicant is reminded that compliance with this Permit requires compliance with all conditions affixed thereto.

5. This is not a Building Permit and, where required by any regulation, a Building Permit, and all other permits in connection with this development, shall also be obtained from:
