Northeast Meadow Conditions of Use Agreement

I,_____, residing at _____in the Village of Spring Lake in the Province of Alberta agree to abide by the following conditions of use of the Northeast Meadow while obtaining a registered key on a temporary basis for the gate located at Waters Crescent for the purpose of accessing the Northeast Meadow. The intended purpose to access the Northeast Meadow is:

_____

_____

1. Access to and use of the Northeast Meadow will be restricted to daylight hours from _____ to _____.
2. The registered key will be returned to the Village Office within fours days from date of issue.
3. The gate must be closed and locked each time access to or from the Northeast Meadow is made.
4. No other motorized vehicles will gain access except for the vehicles that are intended to access resident's property.
5. No tents, recreational vehicles (trailers, RV's) or Off Highway Vehicles will be allowed on the Northeast Meadow for recreational purposes.
6. Construction vehicles and equipment must be removed immediately after use or within the four day restriction. No overnight parking of this vehicle/equipment will be permitted. It is understood that any damages to the meadow will be the responsibility of the resident signing this agreement.
7. No private property may be stored or disposed of in the Northeast Meadow.
8. It is understood if the registered key is not returned to the Village Office within the allotted time, the key deposit will be deposited into the Village of Spring Lake's bank account and at that time considered non-refundable.
9. It is understood that the Village Council may decide at any time to request the immediate return of the registered key if the above conditions are not adhered to.
